Policy & Procedure					
 ✓ Delinquency and Court Services Division ✓ Children's Court Services Network ✓ Purchase of Service Agencies 	Effective Date: 06/01/2014		72 Hour Hold Policy		

I. POLICY

It is the policy of Delinquency and Court Services Division (DCSD) that a 72 hour hold be placed on a youth in either the Focus program or Milwaukee County Accountability Program (MCAP) to offer protection to the community and to allow time to investigate the current concern/issue or allegation concerning a youth.

II. DEFINITION

72 hour hold should only be used in the following situations:

- A. When a youth is dangerous to others: this applies when a youth demonstrates a substantial probability of physical harm to other individuals as manifested by evidence of violent behavior, or by evidence that others are placed in reasonable fear of violent behavior and serious physical harm to them, as substantiated by a recent overt act, attempt or threats of serious physical harm. Youth that instigated a physical altercation that result in injury to another should be placed on a 72 hour hold.
- B. If a youth returns to the facility and the youth has an illegal drug in his possession or a weapon. The Milwaukee County Sheriff's Department should be called immediately to verify illegal drug possession and/or confiscate weapon. A 72 hour hold should occur to allow for the Human Service Worker (HSW) and Wraparound Milwaukee Care Coordinator time to investigate the concern. A team meeting should be scheduled within 24 hours to address the concern and to determine what the underlining needs of the youth is.
- C. If a youth does not return from a pass at the time designated the following steps should be taken before a 72 hour hold is issued: The agency or Human Service Worker should call and talk with a parent or guardian. If the agency or Human Service Worker is unable to talk with a parent/guardian and the youth has not returned within *three* hours of the time the youth needed to be back at the facility then a Apprehension Request should be issued. If the youth is found at home or does return to the facility/agency within the *three* hours then a team meeting should occur within 24 hours to address the issue and to determine what graduated responses should occur. If the youth returns to the facility/agency *after the three* hours then a 72 hour hold should be done to allow time to investigate the situation.
- D. Human Service Workers will respond in a timely basis to problems/issues reported by the youth, family, school, other professionals, law enforcement, etc. Human Service Workers will utilize the 72 hour hold as needed to attempt to bring the youth's behavior into compliance; this request will

need to be staffed and approved by the Human Service Supervisor and accompanied by incident reports.

III. PROCEDURE

Once it has been determined that a 72 hour hold needs to be utilized according to the situations above the following steps should occur:

Each youth when placed on supervision has the following forms filled out and placed in the case file at the time of Disposition. The Human Service Worker will fill out the form; *Acknowledgment of Dispositional Conditions and Sanctions (Delinquency/JIPS)*-(see attachment A). A copy of this form will be given to the FOCUS unit.

- A. The first document that needs to be filled out by the Human Service Worker or FOCUS Supervisor is the *Short Term Detention* (see attachment B).
- B. The second document, *Request for Short Term Detention-Milwaukee County Delinquency and Court Services* (see attachment C). This document needs to be signed by the Human Service Worker Supervisor and Section Manager. If a 72 hour hold occurs after hours, weekends or holidays then the form will need to be faxed and signed by the Juvenile Correctional Officer Supervisor (JCOS) in the Detention Center.
- C. Once both documents are filled out completely and signed by the appropriate people, copies of the two documents need to be taken down to the Detention Center and given to the JCOS on duty.
- D. When the JCOS in Detention has both documents, a phone call to the facility/agency can be made so that the youth can be transported to the Detention Center for the 72 hour hold.

After the youth is placed in the Detention Center for the 72 hour hold the HSW must provide the Judge (Check-In Clerk) of record, Public Defenders Office, and the District Attorneys Office with a copy of attachment C-Request for Short Term Detention-Milwaukee County Delinquency and Court Services, along with any additional documentation regarding the reason for the 72 hour hold. The information must be given to all parties as soon as practical, but no later than 24 hours (excluding holidays and weekends), of the youth entering the Detention Center.
